### **Mission**

The Auckland Girls' Grammar School Foundation is committed to bringing together the school's community, past and present, in the spirit of the school's traditions of inclusive diversity, friendship, cooperation and celebration: to support the school to deliver education which realises each girl's potential.

### **Objectives**

1. Support current students and staff.
2. Promote friendship and connections.
3. Create opportunities for former students and staff to meet and celebrate.
4. Enable former members of the school to support current and future members in a variety of ways.
5. Use the charitable status of the Auckland Girls' Grammar School Foundation Trust to seek, accept and provide financial assistance to the school.
